For addition support you can visit this online rom: https://go.uwe.ac.uk/ddsVirtualSupport for up-to-date opening times visit: https://digitaldesignstudios.bowerashton.org

On the day of this workshop, please come prepared and bring with you:

– 1 IMAGE THAT REPRESENTS YOU OR YOUR WORK
– A SHORT STATEMENT ABOUT YOURSELF AS A DESIGNER

Through 1 supported workshop covering basic knowledge of HTML and CSS you will be guided to created a basic webpage which could be a prototype of your own digital presence online. The design and layout of this web page has some flexibility so you can play around with it.

Consider the simple elements: colours, typefaces, background, positioning, to convey the message you want in the most effective way.
